Safe and Inclusive School Plan

Ensuring Positive Learning Environments

This year we are focusing on supporting and honouring the diversity of experiences and perspectives within our school community.

We are doing this because we feel it's important for all members of our school community feel that they have a voice in the development of a more inclusive school community where all students feel safe, valued, respected and heard.

Throughout the year, we will be:

1. Utilizing school bulletin boards to promote safe and inclusive schools team activities and information.
2. Promoting student identities through student made art work and posters.
3. Celebrating school community identities through multicultural days.
